

EverSoak® Absorbent Series
Light-Duty Absorbent Pads

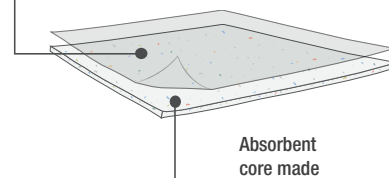

Absorbs up to
24 gallons of
oil per bale*

* per ASTM F726-06

Absorbents

Light-Duty Absorbent Pads

Durable coverstock
on top of pad

Absorbent
core made
with Q-Cel®
technology

Made in the USA

- Made with 70% recycled cellulose fibers
- EverSoak® Light-Duty Absorbent Pads soak up both oil and water as well as grease, transmission fluid, coolants, diesel fuel and many other fluids
- More absorbent and a more cost effective alternative than the leading competitor's heavy-weight meltblown pad (lab tested per EDANA 10.4-02)
- Coverstock is only on the top side of the absorbent pad to allow pad to instantly begin soaking up liquid, keeping the pad firmly in one place and still having the durability of the EverSoak® line of absorbents
- Store near potential leaks, drips and spills in order to act fast and keep work areas safe from potential slip and falls due to fluid on the ground
- Class A fire retardant when pad is dry (lab tested per ASTM E84)

Caution: Not intended for use with aggressive acids or caustics. Dispose of all sorbent materials in accordance with local, state and federal regulations.

EverSoak® Light-Duty Absorbent Pads

Product Number:	22883
Pad Size:	15" x 19"
Quantity Per Case:	100/box
Color:	Gray
Cases Per Pallet:	30 cases
TI:	6 cases/layer
HI:	5 layers/pallet
Case Dimensions:	Length: 20"
	Width: 16"
	Height: 18.25"
Case Weight:	12 lbs
Pallets Per Truck:	30
UPC:	660708228832
